

Assignment 4

IT3040 – ITPM

Semester 1

- The assessment is worth **14% of the overall marks** for the unit. Each student is expected to complete
- The presentation and viva schedules can be found on the CourseWeb module page.
- A PowerPoint slide deck is **not** required for the presentation. Instead, each member must give a live demonstration of their component(s).
- Each member is expected to complete the following with respect to the component(s) for which he/she is responsible:
 - All the interfaces
 - **At least 80%** of the responsible functionalities
 - Integration of component(s) with those of the other group members
- Each team member will be given a **maximum of 2 minutes** for the demonstration. Students who exceed this time limit will be asked to stop, and **zero** marks will be awarded for the *time management* component.
- Each group must be at the presentation venue **at least 5 minutes** before their scheduled time.
- Failure to attend the presentation will result in a mark of **zero** for the assessment. Those who are unable to attend the presentation due to a **medical condition** must submit a medical report **approved by the campus doctor within 7 days** of the scheduled presentation date.
- Presentations should be done from your laptops. Therefore, kindly bring HDMI convertors or any other resources that are required to connect your laptop to the projector.
- The following aspects will be assessed during the presentation:
 - User-friendliness of each member's component
 - Completeness of the responsible functionalities
 - Integration of all members' components
 - Communication and engagement
 - Time management
